VTC Experience:

“To anyone entering this program, trying to navigate this new routine in your life, do not get discouraged. You are not alone, and one of the first things you will learn is how much support is truly out there for you. Do not focus on the mistakes you have made, because the moment you step into Veterans Court it has become a part of your past. Embrace all that is offered to you and use this mistake to shape your future for the better of yourself, your family and the community you so faithfully served. As for my experience, this was a huge stepping-stone in my life. I am so grateful for all I have gained. The caliber of the professionals working in all aspects of this system is second to none. They all have hearts of gold and are looking to preserve America’s Veterans and pointing them in the direction of rebuilding and allowing access to the joy and freedoms we all sacrificed when we signed that dotted line. Rebuild your camaraderie, find that drive that pulled you through the darkest hours and trust what you are going through may be tough but, in the end, it will make you even stronger.”

The U.S. Army Nurse Corps

Although nursing care has been provided in some form or fashion in every U.S. war since the Revolutionary War—it wasn't until

February 2nd, 1901 that the U.S. Army Nurse Corps was established as an official corps of the Army Medical Department.

Mission Statement

“Provide responsive, innovative, and evidence-based nursing care integrated on the Army Medicine Team to enhance readiness, preserve life and function, and promote health and wellness for all those entrusted to our care.”

It wasn't until 1955 that male nurses were allowed in the U.S. Army Nurse Corps—and that was only the Reservists. Male nurses in the Regular Army weren't allowed in until 1966.

Judge K's Corner

“Our Veterans Treatment Court works as a *perfect storm* to provide services at a time when a Veteran is in crisis and becomes involved in the justice system.”

—Judge Kalauli

Recruiting Mentors

We want **YOU** to be involved in our LHC Veterans Treatment Court Mentor Program!!!

Bring Support To Veterans Court

Family and Friends are always welcome at our Veterans Treatment Court Hearings. We firmly believe it is their involvement that helps with the recovery process.

To encourage Family and Friends involvement, for every one person a Justice Involved Veteran brings to court, they will receive a ticket to be placed into a raffle.
